Logo

Logomark

The logomark is the iconic symbol of our brand. Use it as a compact identifier in spaces like social media avatars, favicons, or when the brand is already well-established.

A large, dark blue wordmark spelling 'CLAUZE' in a serif typeface. The letters are closely spaced and centered within a light gray rectangular area.

Logo on Primary

The logo combines our wordmark and logomark into a single lockup. This is the default and most-used version of our logo, ensuring immediate brand recognition.

CLAUZE

Minimum Size

To ensure legibility, our logo must not be reproduced at sizes smaller than those specified here.

Adhering to these minimums for print and digital use is essential for brand integrity.

Full Logo

The full logo requires more space and should be used at larger sizes.

Logotype

The logotype can scale smaller while maintaining readability.

Logomark

The logomark is optimized for very small and compact applications.

Clearspace

Clearspace is the minimum protected area surrounding the logo. This "breathing room" must be kept free of any other visual elements to ensure the logo's prominence and impact.

Logo Backgrounds

Our logo is designed for versatility. Always select a background color or image that provides sufficient contrast to ensure the logo is clearly visible and maintains its integrity.

Logo Misuse

To protect our brand's integrity, the logo must never be altered. Avoid stretching, rotating, re-coloring, or adding effects. Proper and consistent use is essential.
